

## GIDEON MARK HENDERSON

*Date of birth:* 29th July 1968  
*Nationality:* British  
*Address:* Dept. of Earth Sciences, Oxford University, Parks Road, Oxford, OX1 3PR, UK  
*Telephone:* +44 (0)1865 282123  
*Fax:* +44 (0)1865 272072  
*e-mail:* [gideonh@earth.ox.ac.uk](mailto:gideonh@earth.ox.ac.uk)  
*webpage:* <http://www.earth.ox.ac.uk/~gideonh/public.html>

### Employment:

1989-1990 Geological assistant, Badley Ashton and Associates Limited, Geological Consultants, Horncastle, Lincolnshire  
1994 Physical Sciences Editor, *Nature*, Macmillan Magazines, London - 5 month locum position  
1994-1996 Post-Doctoral Fellow, Lamont Doherty Earth Observatory of Columbia University, New York, USA  
1996-1998 Associate Research Scientist, Lamont Doherty Earth Observatory of Columbia University, New York, USA  
1999-present University Lecturer in Environmental Earth Sciences, Department of Earth Sciences, Oxford University Solla Fellow of Geology, University College, Oxford University  
Adjunct Associate Research Scientist, Lamont Doherty Earth Observatory of Columbia University, New York, USA

### Education:

1986-1989 *Hertford College, Oxford University, England*  
BA Honours degree in Earth Sciences  
1990-1994 Ph. D. *St. John's College, Cambridge University, England*  
"The U- and Sr-Isotope Evolution of Seawater over the Past 400 kyr"  
Advisor: Prof. R. Keith O'Nions

### Awards:

1992 Outstanding student paper award, Spring AGU 1992 (citation: *Eos*, 73(35), 1992)  
1994 Lamont-Doherty Post-Doctoral Fellowship  
2001 European Union of Geoscientists Outstanding Young Scientist Award  
2001 Leverhulme Prize Fellowship

### Professional associations etc:

1993-present Member of American Geophysical Union  
1994-present Member of Geochemical Society

2002/2003	Member of the Programme Committee for EGS-AGU-EUG Joint Assembly held April 2003 in Nice
2003-present	Member of MoD Depleted Uranium Oversight Board
2003-present	Member of NERC Peer-Review College
2003-present	Associate Editor Geology
2003	Co-Editor, Reviews in Mineralogy and Geochemistry volume, "Uranium series Geochemistry"
2004-present	Co-Chair of SCOR Planning Group for GEOTRACES marine chemistry programme
2004-2005	Guest Editor Chemical Geology special volume
