Third Announcement

The 8th International Ra-Rn Workshop

<https://melmeeting.xmu.edu.cn/rarn2020/>

The 8th international Ra-Rn workshop will take place in Xiamen, China during June 8-12, 2020.

The objective of this workshop is to provide a forum for presentations and open discussions regarding the latest developments and new directions in the application and measurement of Rn and Ra isotopes as environmental tracers. We will schedule a minimum of formal presentations (contributed talks) and leave maximum time for discussion (session discussions, working groups, and poster sessions).
